

INTERNATIONAL  
TRADE

## THE FIRM HAS AN OUTSTANDING PERFORMANCE IN THE AREA OF INTERNATIONAL TRADE. OUR PRACTICE CAN BE DIVIDED INTO THE FOLLOWING AREAS:

### **I – TRADE DEFENSE:**

acting in investigations for the possible application of trade defense measures, including antidumping duties, countervailing and safeguard measures, and in public interest evaluations;

### **II – INTERNATIONAL CONTRACTS:**

advisory services in the negotiation, draft and execution of contracts involving the international trade of goods and services;

### **III – TRADE NEGOTIATIONS:**

monitoring trade and investment agreements signed or negotiated by Brazil, in order to better advise our clients' strategies;

### **IV – CUSTOMS ISSUES:**

assistance in import and export matters, including administrative and judicial measures in issues such as tax classification, tariff alterations, import licensing, tax assessment, export control and others.

## ACKNOWLEDGMENTS

*“Respected boutique boasting a considerable track record in anti-dumping investigations acting on behalf of foreign exporters and Brazilian associations. Singled out for its expertise assisting clients with other trade remedies issues and a range of customs mandates, including tariff alteration requests before the Brazilian authorities and Mercosur. Further noted for the strength of its legal opinions.”*

CHAMBERS LATIN AMERICA, 2019

*“Seasoned name partner Rabih Ali Nasser continues to be highly recognised by sources in connection with his depth of expertise dealing with trade remedies proceedings before both Brazilian and foreign authorities. He maintains a strong track record in WTO disputes, anti-dumping investigations and tariff alteration mandates.”*

CHAMBERS LATIN AMERICA, 2020

*“Rabih Nasser is distinguished as “a very competent lawyer who is very active in trade matters” by sources who applaud his impressive work on trade-related disputes and investigations.”*
